VISUAL ARTS K–12 MAJOR, BACHELOR OF ARTS IN EDUCATION (BAE)

This major satisfies the endorsement for preschool to grade 12.

Students who successfully complete the coursework and other requirements for this BAE degree will be eligible for Washington State Teacher Certification and are eligible to be employed in the public school system as an art teacher. Teaching art is a highly rewarding career choice with a variety of employment possibilities - not only are art teachers needed in public schools - but they are also employed in museums, community centers, and/or in corporate training venues, etc. Of note, Eastern Washington University's outstanding art education program strives to produce effective teachers who are working artists.

All BAE/Art Education students will work closely with BOTH an Art Department advisor and School of Education advisor.

Art Education students must complete the required Education Core courses plus the following Art courses.

Note: The Art Department recommends all art majors and minors begin their studies with Foundation Requirements courses. Prerequisites may be required for course entry.

Application for Graduation (use EagleNET (https://inside.ewu.edu/eaglenet/)) must be made at least two terms in advance of the term you expect to graduate (undergraduate and post-baccalaureate).

Use the Catalog Archives (http://catalog.ewu.edu/archives/) to determine *two important catalog years*.

Requirements in Degree Works (https://inside.ewu.edu/records-and-registration/degree-works/) are based on these two catalog years:

a. The catalog *in effect at the student's first term* of current matriculation is used to determine **BACR** (Breadth Area Credit Requirements) **and UGR** (Undergraduate Graduation Requirements).

b. The catalog *in effect at the time the student declares a major or minor* is used to determine the program requirements.

Students who earn a BAE in Art Education-Secondary Focus from EWU should be able to:

- demonstrate technical skill in a variety of studio art materials, PLO-4;
- identify works of art within historical contexts, PLO-3;
- produce a professional quality digital portfolio for art education professionals, PLO-1;
- use appropriate terminology to evaluate works of art, PLO 2;
