

ENGLISH MAJOR WITH LITERARY STUDIES OPTION, BACHELOR OF ARTS (BA)

Mission Statement: The English Literature Program develops students' abilities in analytical reading, writing, and thinking through study of significant literary texts in British, American, and world literature.

Literary Studies is a liberal arts program. It often is recommended as a pre-professional program and is the most appropriate concentration for those students hoping to pursue the study of language and literature at the doctoral level. Many students pursue this concentration for personal enrichment or in preparation for other types of careers or professional schools. Literary Studies majors are generally successful wherever verbal and analytical skills are important.

Note: two years of a single high school foreign language or one year of a single college level foreign language is required.
