

# EDUCATIONAL STUDIES MAJOR, BACHELOR OF ARTS (BA)

**Educational Studies (BA)**- This program provides a focus for students interested in learning more about the field of education, but are not seeking certification. This major does not lead to a teaching certificate.

Majors in Educational Studies complete a final internship designed by the student and their advisor that is specific to the student's interest within educational fields. This degree could help students to work in areas adjacent to teaching, such as communications, media relations, policy, etc.

Note: two years of a single high school world language or one year of a single college-level world language is required. Completion of two or more years of a college-level world language is strongly recommended.

Use the Catalog Archives (<http://catalog.ewu.edu/archives/>) to determine *two important catalog years*.

Requirements in Degree Works (<https://inside.ewu.edu/records-and-registration/degree-works/>) are based on these two catalog years:

- The catalog *in effect at the student's first term* of current matriculation is used to determine **BACR** (Breadth Area Credit Requirements) **and** **UGR** (Undergraduate Graduation Requirements).
- The catalog *in effect at the time the student declares a major or minor* is used to determine the program requirements.
