

GRADUATE STUDIES

Graduate Programs

206 Showalter Hall
509.359.6297
email (gradprograms@ewu.edu)

The Graduate Programs (<http://www.ewu.edu/grad>) office coordinates admission for all of Eastern's graduate programs and provides a wide range of assistance to prospective and current students as well as to faculty and staff at the university.

Graduate Programs Academic Policies

For a summary of student responsibilities relative to these policies, see the Policies section at the end of this catalog.

Academic Standards

- At least 75 percent of the total credits for a graduate degree must be at the 500 level or above. **Note:** interdisciplinary degrees (as described separately in this catalog) may include no more than 12 quarter credits of undergraduate course work.
- Distance-delivered courses numbered 400 or above, offered by accredited institutions as graded courses and part of a graduate program of study may be included in a graduate degree program at Eastern at the discretion of the program/department.
- No 300-level courses are allowed in a graduate degree program without prior permission from the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research. Only one approved 300-level course of up to five quarter credits is allowed in any graduate program.
- No program requirements can be satisfied with a course grade <2.0.
- Only two courses in a student's degree program may be <2.5; repeats do **not** change this rule.
- Pass/No Credit courses may count in a graduate degree program, but a student must complete 75 percent of the quarter credits required for the program as graded work. Upper-division undergraduate courses (300–400) with pass/no credit grades cannot be included as part of the graduate program.
 1. Pass/No Credit grades are utilized only in designated graduate-level courses. (Graduate courses may not be taken Pass/No Credit unless the course has been so designated by departments.)
 2. Students with more than two no-credit (NC) grades in their program will have their record reviewed by the program advisor with possible termination of the program as a consequence.
- Proof of competency in research is required of all graduate degree candidates.
- Senior students with exceptional ability and appropriate background may enroll in 500-level courses only with prior written permission of the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research.
- Three-fourths of the minimum credits required for the specific degree program must be earned in approved courses offered by EWU. The remaining credits may consist of approved credits from other accredited institutions.

Appeals

Occasionally, a student may wish to appeal one of Eastern's graduate policies. Student appeals of graduate policies and procedures should be addressed to the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research. These appeals should be made in writing, initiated by the student, and endorsed by the appropriate graduate program advisor or director. The appeal document must contain adequate justification demonstrating that the student possesses sufficient outstanding qualities to balance identified weaknesses.

Note: appeals of the policy on previous graduate credit found on page 37 are heard by an Academic Appeals Board.

Course Level Policies

All departments may offer these types of courses, but not all may be listed in this catalog; check with individual department offices for the most current information on course availability.

Upper Division	Graduate Division
400-499 primarily for seniors; graduate students may count a limited number of credits from graded courses, only with program approval	500-599 graduate level; senior undergraduates may enroll only with permission of both department chair and vice provost 600-699 graduate level only 700-799 doctoral level only
At all levels, course numbers ending in 95 through 99 indicate special courses, with the particular subject matter varying from quarter to quarter:	
95	internships
96	experimental
97	workshops, short courses, conferences (Only one workshop course of up to 3 credits may be used to fulfill graduate degree requirements.)
98	seminars
99	independent and directed study

Course Loads

The minimum full-time enrollment for graduate students is 10 quarter credits for students on a quarter calendar (QC) and 15 quarter credits for students on a semester calendar (SC). A standard study load normally involves around 12 quarter credits for full-time QC students or 18 quarter credits for full-time SC students. The course load of graduate students may not in any term exceed 18 quarter credits for QC students or 27 quarter credits for SC students without the approval of the student's advisor and the appropriate department chair or designee. Students receiving a graduate service appointment must also have the approval of the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research to enroll in overload credits. Call 509.359.6297 with any questions.

Course Repeat

Courses may be repeated for graduate credit. However, as stated above under Academic Standards, only two courses in a student's degree program may be <2.5; repeats do not change this rule. Also see the probation policy below and the general information on the grading system in the policy section in the back of the catalog.

Degree Completion and Use of University Resources

After being admitted to a graduate program a student has six calendar years in which to complete a graduate degree program, beginning with the quarter the student is admitted, subject to the following exceptions:

- This policy may not be construed to change the six-year limit between commencement of study toward the degree and completion of the degree program. (The six-year limit begins with the date of the first course used toward degree requirements, including any pre-admission credits.)
- Admitted students who fail to complete the degree within the six-year period will be dropped from the program and must re-apply for admission to the degree program with evaluation of all credits taken to date and pay the application fee.
- Students who are using university resources during the six-year period, including faculty consultation, laboratories, library resources, scheduling and completing final examinations, must register for a minimum of 2 credits. In the quarter of defense, the student must be enrolled for a minimum of 2 credits. (Summer session only permits 1 credit registration.)

Enrollment Policies for Graduate Students

Graduate students may register only after being fully admitted to EWU. Any student who attends classes but fails to register for those classes through the Records and Registration Office will not receive credit for those classes. Students who register after the registration period will be assessed a late registration fee per course. The instructor's permission is required for late registration. An advisor's signature is required prior to registration for all new entering students, returning students on academic dismissal, those on probation and any student with an overload of credits.

Failure to attend the first class meeting may result in loss of registration in that course section. Failure to complete all prerequisite requirements prior to registering may result in loss of registration.

Please refer to the quarterly announcement at www.ewu.edu/registrar (<http://www.ewu.edu/registrar>) for further information on registration procedures such as how to drop, add and withdraw.

Graduate Degree Candidacy

Advancement to graduate degree candidacy means that the department is encouraging the student to complete his or her degree. The student's program is planned at this time, and the student is assured protection against subsequent program changes.

Advancement to Graduate Degree Candidacy requires the following steps:

- completion of at least 15 graded credits in a degree program;
- maintenance of at least a cumulative GPA ≥ 3.0 in all courses since admission to Graduate Programs;
- submission of the application for degree candidacy form to the Graduate Programs office, specifying a degree study program approved by the major department. At the student's option, the program may be based on either current catalog requirements or the catalog in effect at the time of admission. The form must be submitted before the student has completed one-half the minimum credits unless program requirements allow submission after the mid-point of the student's program. All applications for graduate degree candidacy must be submitted no later than the second Friday of the quarter before anticipated graduation unless special permission

is granted by the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research;

- completion of any specific departmental requirements;
- approval of the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research or designee.

Graduate Degree Committees and Final Comprehensive Exams

After a student has advanced to degree candidacy, a committee is appointed to arrange, conduct and appraise the comprehensive examination. Satisfactory completion of the comprehensive exam is required to graduate.

Graduate degree committees are normally comprised of three members, one acting as the chair. The chair of the graduate committee is a faculty member from the student's specialization. Another member is chosen to represent the broader academic aspects of the candidate's program. The third member is a representative of the Graduate Affairs Council, which governs graduate policies and programs. The council representative is selected from a department outside the student's primary academic area and is appointed to the committee by the vice provost for Graduate Education and Research. (See the approved departmental comprehensive exams third member policy that follows this section of the catalog.) When necessary to represent all the areas of a student's preparation, the vice provost may authorize additional members.

After the committee is confirmed, the candidate and faculty members are officially notified of the committee membership by the Graduate Programs office. The candidate must confer with his or her chair regarding the date of the comprehensive examination. It may be scheduled any time after submission to the Graduate Programs office of the terminal research approval form. This form is signed by the student's chair and internal member to indicate their approval for the examination to be held. The Graduate Programs office must be notified of the scheduled examination at least 10 working days prior to the examination date. Except in the case of a written examination, all comprehensive exams are open to the public and must be announced to the student's academic unit(s) at least one week prior to the exam.

The examination is conducted by the chair of the committee, and questions are based upon the candidate's research and/or areas of study. The examination is approximately two hours. The committee members then determine, by majority vote, whether the candidate is successful, unsuccessful or not yet qualified. The official report of the committee's decision must be returned to the Graduate Programs office for inclusion in the student's permanent records and to use for degree checkout.

Note: A comprehensive examination cannot be scheduled for any student who has an \times grade in any course in his/her degree program, current course work excepted. Student and faculty signatures on the terminal research approval form are verification that there are no \times grades. Students who successfully complete their comprehensive examinations must meet any outstanding degree requirements within one quarter of their exams or be assessed a late completion fee equal to the cost of one-half of one resident graduate credit for purposes of degree checkout and degree posting. Post-examination internships required for degree completion are excluded. If the student does not complete by the end of one term, the late completion fee will be assessed for each term the course work is incomplete.

Graduation Application

Application for completion of the graduate degree must be filed with the Graduate Programs office no later than the second Friday of the quarter prior to expected graduation. Students on a semester calendar

must apply no later than five months before the last day of the semester of expected program completion. Early application is encouraged. A diploma fee is required. Fees change annually; check with the Graduate Programs office. Late applications are subject to a fee. Applications received after the deadline may delay posting of the degree on official university transcripts and mailing of the diploma.

Note: only students who have completed all degree requirements during the current academic year, or who have applied to graduate by the deadline for summer of the current academic year will be included in the commencement program.

Graduation Grade Point Average

The graduation GPA includes credits and grade points earned at Eastern and transfer credits and grade points accepted by Eastern. This grade point is used for determining graduation eligibility. The transfer GPA does not appear on an EWU transcript. University academic honors (cum laude, magna cum laude, summa cum laude) are not awarded to graduate students based on GPA.

Multiple Graduate Degrees and Programs

Students who have finished one graduate degree may be awarded another graduate degree when they have finished the requirements for the second degree as set forth in the graduate catalog. Students may also pursue and be enrolled in two programs simultaneously.

Students must meet all the requirements of the second degree, including course work, tests, thesis, foreign language, experience, age of credits, departmental recommendations and other requirements as specified. Students may apply a maximum of 12 department/program credits from one graduate degree or degree program to a second or additional graduate degree. (This does not apply to dual-degree programs.)

Maximum Attempted Credits

Graduate students are expected to make efficient progress toward their degree. Those found to have attempted credits on their record at or above 150% of the minimum number of credits required for their program, excluding independent study, thesis or research project courses, will be prevented from registering until they have met with their academic advisor, established a revised plan for program completion and specified a new graduation term. This plan must be submitted with the written support of the student's academic advisor and approved by the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research in order for the student to register.

Previous Graduate Credit

Students may include in a graduate degree program a maximum of 12 quarter credits or nine semester credits completed before admission to graduate studies. These credits must be from an accredited university, approved by the department for inclusion in a degree program, no more than six years old at the time of program completion and not part of an undergraduate degree. Any exception to this policy must be approved by the Academic Appeals Board. Appeals are made in writing by the student and must be accompanied by the written support of a program advisor or director. These appeals are submitted to the board through the Graduate Programs office.

Probation Policy

- Graduate students must maintain a GPA ≥ 3.0 in all courses taken since admission to graduate studies at EWU.
- Students are notified by letter if they have fallen below the 3.0 minimum.
- One term is allowed to restore the cumulative GPA to ≥ 3.0 .

- Faculty of the department offering the degree may extend the probationary period by one term, when warranted by special circumstances.
- Students on probation may not be advanced to candidacy or schedule their comprehensive exams.
- Students unable to restore their cumulative GPA to ≥ 3.0 in the additional quarter of probation shall be terminated from the program.
- Individual departments/programs may have requirements that are more restrictive. Such requirements supersede those stated here.

Students who have been academically dismissed from a graduate program may reapply for admission. In addition to the application for readmission to graduate studies and meeting all admission requirements specified by the program, applicants who have been dismissed must also submit a written petition to the program stating their readiness to pursue the degree and addressing the circumstances that led to dismissal. Applicants who are then readmitted will be allowed to register for one term only. At the end of the initial term, continuation is contingent upon recommendation from the program and the approval of the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research. Students who have been readmitted will have up to two terms to return to good academic standing with a cumulative graduate GPA ≥ 3.0 . Extensions of probationary status may be approved on the written recommendation of the program and with the approval of the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research. Students who are not recommended for continuation are not eligible for one year to reapply for admission to graduate studies.

Residency Requirement (at EWU)

Three-fourths of the minimum credits required for the specific degree program must be earned in approved courses offered by EWU. The remaining credits may consist of approved credits from other accredited institutions. (For information about establishing residency in Washington for tuition purposes, see the policy section of this catalog for state of Washington residency.)

Thesis, Research Report or other Terminal Document Requirements

Completion of a thesis or research report is required by most graduate programs. Research reports are submitted to the department in whatever form, style and number the department requires. Instructions on format and style requirements for a master's thesis are available from the Graduate Programs office and from our website at www.ewu.edu/grad (<http://www.ewu.edu/grad>).

When a student is submitting a thesis, research report or other terminal document, either the document or an abstract must be provided to committee members at least two weeks in advance of the final comprehensive examination. Any required changes are to be completed for final approval by the committee within 10 working days of the examination, or the end of the term, whichever comes first.

Four approved copies of the thesis must be presented to the Graduate Programs office within 10 working days of the oral examination, or by the end of the term, whichever comes first. By that time, a \$63 binding fee must be paid. Thesis students must also submit a digital copy (gradthesis@ewu.edu) of their thesis in both MS Word format and PDF format (Computer Science students may use LaTeX). In addition, thesis students must submit a signed copy of the Graduate Thesis Submission (<http://www.ewu.edu/grad>) Form along with their thesis copies.

Note: The university has policies and procedures in place to ensure that individuals conducting research, including graduate students, comply

with applicable federal and state regulations governing the use of human subjects, the care and use of animals, significant financial interest disclosure, scientific misconduct, intellectual property and copyrights. If the student's research is affected by any of the above, he or she may be required to obtain university approval prior to initiating the research. Further information and application materials are available from the Office of Grants and Research Development, 210 Showalter Hall. Also see the Regulations for Research section of this catalog.

Y grades for Thesis, Research report and other courses requiring more than a single quarter to complete

Students are expected to enroll for an appropriate number of research credits each term they use university resources such as faculty time, laboratories and the library. The Y grade may be used to defer assigning of a grade until the project is completed. The Y grade is not to be used in lieu of an incomplete. A specified maximum number of Y-graded credits are allowed by each program.

Y Grade Maximums

Art	ART 600, ART 601, ART 636	15 credits
Biology		30 credit maximum for any course for which a Y grade is assigned.
Business		12 credit maximum in any course for which a Y grade is assigned.
College Instruction	COIN 600, COIN 601, COIN 696	9 credits, 6 six credits, 15 credits
Communication Disorders	COMD 600	10 credits
Communication Studies	CMST 600, CMST 601	6 credits
Computer Science	CSCD 600, CSCD 601	6 credits
Creative Writing	CRWR 600	12 credits
Dental Hygiene	DNHY 600	25 credits
Education	EDUC 563, EDUC 588, EDUC 600, EDUC 601, EDUC 695	4 credits, 6 credits, 25 credits
English		14 credit maximum for any course for which a Y grade is assigned
Engineering and Design		5 credit maximum in any course for which a Y grade is assigned
History	HIST 600, HIST 601	15 credits
Mathematics	MATH 600, MATH 601	12 credits
Modern Languages (French)	FREN 499, FREN 599	5 credits, 5 credits
Music		10 credit maximum for any course for which a Y grade is assigned
Physical Education		9 credit maximum for any course for which a Y grade is assigned
Psychology		9 credit maximum for any course for which a Y grade is assigned

Public Administration	PADM 600, PADM 601, PADM 602	8 credits, 2 credits, 2 credits
Social Work		Maximum is the number of credits for the course. Students cannot re-register for a course in which a Y grade is received.
Urban and Regional Planning	PLAN 600, PLAN 695	10 credits

Approved Departmental Comprehensive Exams Third Member Policy Biology

Two or three departmental members and an outside member selected by the Graduate Programs office for the oral comprehensive exam.

Business Administration

Elective option—portfolio presentation. The third member is selected by the Graduate Programs office and the times are arranged by the MBA committee chair. Research report/thesis option. The third member for the oral comprehensive exam is selected by the Graduate Programs office.

Communication Disorders

Third member for the oral comprehensive exam is selected by the Graduate Programs office.

Communications

Third member for the oral comprehensive exam is selected by the Graduate Programs office. Orals will not be held during vacations or summer term without prior approval from the student's committee.

Computer Science

Third member for the oral comprehensive exam may be chosen by the Computer Science Department or by the Graduate Programs office. Students must be registered the quarter they take their final oral exams. If the department selects the third member, notification of the third member should be made at the beginning of the term prior to the comprehensive exam (preferably at the time of candidacy).

Education

Third member for the oral comprehensive exam may be selected by the student. Students who are unable to select their third members must notify the Graduate Programs office at least one term in advance of the comprehensive exam (preferably at the time of candidacy). The Graduate Programs office is then responsible for selecting the third member. Oral comprehensive examination for special education. Third member may be selected by the student or by the Graduate Programs office. Students who select their third members must provide the Graduate Programs office with the third members names at the beginning of the term prior to the term in which their exams are conducted (preferably at the time of candidacy).

English

Third member for the oral comprehensive exam is selected by the Graduate Programs office.

History

Third member for the oral comprehensive exam is selected by the Graduate Programs office.

Interdisciplinary

Third member for the oral comprehensive exam is selected by the Graduate Programs office.

Music

Third member for the oral comprehensive exam is selected by the Graduate Programs office.

Occupational Therapy

The final comprehensive examination must be successfully completed before enrollment in OCTH 695 that begins in the final year of the program. Third member for the oral comprehensive exam is selected by the Graduate Programs office.

Physical Education

Third member for the oral comprehensive exam is selected by the student. Students who are unable to select their third members must notify the Graduate Programs office at least one term in advance of their comprehensive exams (preferably at the time of candidacy). The Graduate Programs office is then responsible for selecting the third member.

Third member for the written examination, a faculty member, will be designated by the Graduate Programs office.

Physical Therapy

Written comprehensive examination with review by the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research, in final term of didactic work, prior to commencing full-time clinical internships. At least one graduate faculty member selected by the Graduate Programs office will attend the annual research project presentations.

Psychology

For School Psychology, and all other psychology students, the third member for the oral comprehensive examination is selected by the Graduate Programs office. Orals will not be held during breaks or summer term.

Written comprehensive examination for Mental Health Counseling and School Counseling reviewed by the vice provost for Academic Planning, Graduate Programs, Grants, and Institutional Research, and a portfolio presentation to an advisory board and a graduate faculty member selected by the Graduate Programs office, conducted early in spring term of final year. All School Psychology Program candidates will complete a two-phase program exit process: (a) thesis/research project defense and (b) defense of program. The thesis/research project defense is expected to occur prior to the internship experience, typically by spring term of the second year of enrollment. The defense of program is expected to occur in the final term of the candidate's enrollment in the program, typically spring term of the third year.

Public Administration

Third member for the oral comprehensive exam is selected by the Graduate Programs office.

Social Work

Third member for the oral comprehensive exam may be selected by the student or by the Graduate Programs office. Students who select their third members must provide the Graduate Programs office with their third member's name at the beginning of the term prior to the term in which their exams are conducted (preferably at the time of candidacy).

Urban Planning

Third member for the oral comprehensive exam may be selected by the student or by the Graduate Programs office. Students must be registered the term they take their comprehensive exam orals. Students who select their third members must provide the Graduate Programs office with the third member's name at the beginning of the term prior to the term in which their exams are conducted (preferably at the time of candidacy).

Graduate Student Summary Guide to Policies and Procedures

Procedure	Action	Deadline	Explanation	Consequences/Information
Apply for candidacy and select graduate faculty committee members. ¹	Student approaches advisor to formalize graduate program plan, discuss second committee member, and determine if Human Subject (IRB) must be filed. Program approval for candidacy indicated by student and two graduate program faculty signatures on candidacy form. Form then submitted to Graduate Programs Office for review.	After completion of 15 graduate credits and before completing one-half the minimum credits in degree program. In all cases application must be submitted by the second Friday of the quarter prior to intended graduation.	Supports timely progress to degree completion; protects students from degree requirement changes; begins IRB review, if needed. Approved candidacy applications acknowledged by letter of advancement from vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research.	Inaccurate or incomplete candidacy application delays advancement. Late submission requires a written appeal to the vice provost for Academic Planning, Graduate Programs, Grants and Institutional Research and possible delay in graduation. Lack of IRB can invalidate research.
Submit Graduation Application and fee. ¹	Apply to graduate online through EagleNET. Log in to EagleNET, click on the Student tab, and then click on Student Records.	Second Friday of the quarter prior to intended graduation (earlier is recommended.)	Allows for timely review of student's program prior to graduation.	Late submission delays graduation until next quarter, and incurs fee. Late applicants must submit a paper application.
Register in final quarter of program for at least 2 credits (1 credit minimum summer term only).	Consult with advisor or graduate program director about remaining requirements.	Quarter of program completion.	Meets state requirement of registration for students using university resources.	Only currently registered students are eligible to complete a graduate program.

Select outside member for comprehensive examination. ¹	Review Approved Third Member policy in catalog; Graduate Programs Office selects from approved graduate faculty unless otherwise specified by department policy.	Graduate Programs Office notifies student near the beginning of the quarter of intended graduation (the quarter entered on the candidacy) unless student has already identified a member of the graduate faculty as the third.	Provides rigor, procedural guidance, and helps ensure examination is comprehensive.	Late candidacy application delays selection of outside member required for comprehensive exam to be held.
Submit Terminal Research Approval form.	Committee chair and second committee member sign form and submit to Graduate Programs Office.	Must be received in Graduate Programs Office at least two weeks prior to the exam, earlier is recommended. Exam schedule may be submitted on this form.	Indicates committee approval to proceed with comprehensive examination based on review of drafts.	Comprehensive examination cannot be scheduled without receipt of form in Graduate Programs Office, or if any X grades are on student record for prior terms.
Schedule comprehensive examination.	Student arranges date, time and location agreed to by all committee members and then notifies Graduate Programs Office.	Graduate Programs Office must be notified two weeks prior to scheduled date and after receipt of Terminal Research Approval Form.	Allows time for notice and comprehensive exam report form to be sent to committee members.	Failure to schedule may lead to cancellation or invalidation of examination.
Provide approved Thesis, Research Report or other terminal document draft.	Student provides a copy to all comprehensive examination committee members.	Two weeks prior to examination each committee member must have a copy of the document.	Allows faculty sufficient time to review document and prepare for comprehensive examination.	Comprehensive examination could be canceled if documents not provided by deadline.
Complete Comprehensive Examination.	Committee Chair, or other designated participant in exam submits form to Graduate Programs Office.	Original comprehensive exam report form due in Graduate Programs office immediately following exam.	Verifies examination results; becomes part of permanent student record.	Lack of original form will delay program and degree completion.
Thesis students only— Submit four copies on 100% cotton bond paper and the \$63 thesis binding fee, also submit one electronic copy as a Microsoft Word *.docx file (Computer Science students may submit LaTeX version of thesis).	Graduate Programs Office must receive the following: original comprehensive exam report form.	Original comprehensive exam report form due in Graduate Programs office immediately following exam.	Verifies examination results; becomes part of permanent student record.	Lack of original form will delay program and degree completion.
Attend Commencement.	Verify completion of application for graduation; order cap, gown, and hood four weeks prior to graduation from EWU bookstore.	All participants in June Commencement must meet posted spring graduation application deadline to be included in bulletin.	Fall, winter, spring, and summer graduates may participate in ceremony.	Participation encouraged; one ceremony and one bulletin published annually.

¹ Contact program advisor about any changes to candidacy or committee. All required forms and guidelines can be found at www.ewu.edu/grad (<http://www.ewu.edu/grad>).

Graduate or Post-Master's Certificates

A graduate certificate is not a degree; it is a focused collection of courses that, when completed, affords the student a record of coherent academic accomplishment in a given discipline or set of related disciplines. A graduate certificate is not a guaranteed means of entry into a graduate degree program. While the courses comprising a graduate certificate may be used as evidence in support of a student's application for admission to a graduate degree program, the certificate itself is not considered to be a prerequisite.

The course content in a graduate certificate program may represent a practice-oriented segment of an existing graduate discipline. An earned

baccalaureate degree or its equivalent from an accredited college or university is required for admission to a graduate certificate program.

A Graduate Programs admission application is required before completion of one-half of the credits in a graduate certificate program. No additional admission application fee is charged for current degree-seeking graduate students at EWU. A maximum of 40% of the credit hours toward any certificate program may be accepted as transfer credit. Students pursuing a graduate certificate will be required to meet the same academic requirements as those defined for degree-seeking students.

The Graduate Programs Office will note successful completion of a certificate program on the student's transcript after receipt of a

completed graduation application. Graduation applications are due following the deadlines for graduate degree graduation applications.
