Enrollment and Registration Process

Eastern Washington University has a web based registration system through EagleNET (<https://eaglenet.ewu.edu>). Confirmation of classes occurs at the time of registration. Registration priority is given to students continuing their enrollment from the current term to the next; registration is by scheduled appointment, based on class standing. This information is published on the Web.

Continuing students may register during or after their appointed time but not before. Priority registration for fall is held during spring term. Otherwise, registration for continuing students is scheduled late in each term.

New freshman students are strongly encouraged to attend firstSTEP programs, which includes academic advising, registration, campus tours and information seminars. Information about firstSTEP program dates and schedules are included with the admission acceptance notification. Confirmation of acceptance is required to participate in a firstSTEP program.

Undergraduate transfer students are not required to attend a firstSTEP program and they may register during the open registration period that follows priority registration each term. However, advising is required prior to initial registration.

To Be Eligible to Register a Student Must

Be either a continuing student or accepted for admission or re-admission for the next term.

1. Obtain advisor authorization whenever required, as follows:
 - new students (first term of enrollment at Eastern, undergraduate and graduate) registering for 10 or more credits;
 - all freshmen;
 - all athletes;
 - any undergraduate student on academic probation;
 - any returning student on academic probation or after dismissal;

- any undergraduate student requesting more than 18 credits;
- any graduate student requesting more than 18 credits.
- Running Start students;
- international students;
- any student with nine or more withdrawals.

2. Clear any registration holds.

- Continuing students should check on EagleNET or with the Records and Registration Office to determine if there are registration holds and the action required to remove the hold.
- New students will be advised of any holds at registration or during their advising session.
- Holds are placed on registration for incomplete transcripts, overdue financial obligations, incomplete Financial Aid forms, academic probation and dismissal, pre-university basic skills and disciplinary action.

3. Register at the appointed time.

- New undergraduate students may register during their firstSTEP program.
- Continuing graduate and undergraduate students will have an appointment time based on class standing. See the Classification of Students defined on the next page. Check the Records and Registration website for updated information on registration. All students are advised to have alternate courses selected in case of cancellations.
- All new students should obtain an Eagle Card (ID card). New undergraduate students will receive a student ID card during their firstSTEP program.

4. Determine whether to restrict student information.

- Limited general information on registered students such as name, addresses, dates of attendance and degrees earned can be legally provided to third parties; however, release of this information may be restricted anytime at the Records and Registration Office. Grades, class schedule and transcript information are not released to third parties unless authorized in writing by the student. No information on students is released for commercial purposes.
- A directory restriction may be placed in person at the Records and Registration Office.
- For detailed information, speak with staff in Records and Registration, 201 Sutton Hall, or call 509.359.2321 or 509.828.1394 and see the policy information in the back of this catalog under Access to Academic Records and the Family Educational Rights and Privacy Act (FERPA) of 1974.

Changes to Registration

Schedule change fees for adding classes begin the eleventh day of the quarter. Beginning the fourth day of the quarter, late registration fees are assessed to students not registered in any classes prior to the sixth day of the quarter. Instructor authorization is required to add a class or register beginning the fourth day of the quarter. Instructors are not required to provide class notes, assignments and materials to students who add a course after the first class meeting; it is the student's responsibility to obtain this information.

Some courses may be closed prior to the fourth day of the term. These courses will require instructor authorization to register.

Dropping Courses

Courses officially dropped through the Records and Registration Office or EWU Spokane prior to the beginning of the quarter and through the 10th day of the regular academic term will be removed from the student's record. Refunds are calculated according to the current refund schedule. Schedule change fees for dropping/withdrawing from classes begin the seventh day of the quarter. Current fees are listed on EagleNET.

Overloading Courses

Undergraduates who wish to enroll in more than 18 credit hours during a quarter must obtain overload permission from their general or department advisor.

Requests for 19 or more credit hours are generally approved only for those with a GPA ≥ 3.0 . Additional per credit fees are assessed for students enrolled in more than 18 credits per quarter.

Repeating Courses

This is general information that may be superseded by specific program rules on repeats, such as those for undergraduate business majors. Graduate students must also follow the specific policies under **Academic Standards and Course Repeat**.

You may repeat a course for a higher grade. A course may be repeated regardless of its delivery mode (traditional classroom or independent learning). Courses to be repeated for credit value must be identified during the registration process on EagleNET by going to *change class options* under the registration category or by marking the repeat option square on the paper registration form.

Undergraduate students will be allowed to repeat any single course twice for a total of three enrollments per course. In addition, you are limited to a total of ten repeats. The last grade assigned will be the grade included in the GPA (grade point average) and all grades assigned will remain on the transcript.

Exception

If a student is showing progress over time, then he or she may be allowed to take the course additional times. Any repetitions beyond the two allowed by this policy will only be permitted at the discretion of the department chair where the course resides. The total number of repeats still may not exceed ten.

If you fail to indicate the repeat during registration, there may be detrimental effects on your GPA and total credits toward graduation.

The previous course, along with its credits, grade and grade point average, will remain recorded on your transcript but will be superseded by the new course, grade and GPA. Your cumulative GPA will be adjusted to reflect the new grade.

If you are repeating a course in which you have received a letter grade with no numeric value such as **W** you do not need to indicate this at registration. You should register for the repeat **W** course as you would normally register for regular credit and grading.

Courses previously taken may not be repeated under the following conditions:

- receiving a pass (P) grade with the Pass/Fail or Pass/No Credit option;

- to improve an undergraduate GPA after receiving a baccalaureate degree;
- effective spring quarter 2010, courses transferred to Eastern from another institution will not be counted as repeats for the purposes of EWU GPA calculation, but can be used to satisfy prerequisites and all other degree requirements.

Withdrawing from Courses

Withdrawals result in a **W** grade on the student record and are accepted in the Records and Registration Office or at EWU Spokane from the eleventh day of the quarter until the end of the seventh week. Schedule change fees apply. Students who enroll but do not attend class must officially withdraw or they will receive a grade of 0.0 and be held financially responsible for all tuition and fees.

If there are any questions about course withdrawal, please call the Records and Registration Office at 509.359.2321 or 509.828.1394.

Undergraduate Course Withdrawal Policy

This policy became effective fall quarter 2007 for new students. EWU students are allowed a total of 10 course withdrawals in their undergraduate work. (Withdrawals occur after the normal drop/add period.) Withdrawal from all courses for a quarter for special reasons (for example, extended illness, accident or military service) as documented and approved by Records and Registration would only be counted as a single withdrawal in the apportionment of course withdrawals.

When a student reaches six withdrawals, the student will be notified by Records and Registration. When a student reaches nine withdrawals, a registration hold will be placed on the student's record and the student will not be allowed to register unless the student has the authorization from his/her advisor (departmental or program if declared, or his/her advisor in the General Undergraduate Academic Advising Office).

If there are any questions about course withdrawal, please call the Records and Registration Office at 509.359.2321 or 509.828.1394.

Withdrawing From the University

Complete withdrawal from the university must be done through the Records and Registration Office or EWU Spokane. Complete withdrawal may be done by phoning the Records and Registration Office at 509.359.2321 or 509.828.1394 or coming in-person to complete the Withdrawal Clearance form. There is no schedule change fee to completely withdraw. Refunds are calculated according to the refund schedule. Any student who stops attending and does not officially withdraw from the university will receive grades of 0.0 and be held financially responsible for all tuition and fee charges as well as any applicable financial aid obligations.

Complete withdrawals may be completed any time during the quarter prior to one week before finals. Instructor's permission may be required after the seventh week of the quarter. Documentation may also be required in certain cases.

If there are any questions about complete withdrawal, please call the Records and Registration Office at 509.359.2321 or Riverpoint Student Services at 509.828.1394.

Students Ordered to Military Duty

Students who choose to withdraw are entitled to a reversal/refund of paid tuition, fees and other expenses as described in this chapter.

See Academic Policy 303–30.7, page 4 (http://cfweb.ewu.edu/policy/PolicyFiles/AP_303_30.pdf) .

Withdrawal for Medical Reasons: Students who withdraw from the university due to documented medical reasons may be eligible for a complete withdrawal from courses and a reversal of tuition and fees. See Academic Policy 303–30.8, page 5 (http://cfweb.ewu.edu/policy/PolicyFiles/AP_303_30.pdf) .

Classification of Students

A student's earned credit hours determine undergraduate class standing, including any transfer credits that have been received by the posted deadlines.

Undergraduate: Cumulative Credit Hours Earned Classification

- 0-44: Freshman
- 45-89: Sophomore
- 90-134: Junior
- 135+: Senior

Post-baccalaureate (PB) or Fifth Year (5Y)

Post-baccalaureate students or fifth-year students are those who hold at least one earned undergraduate degree as documented with official university transcripts. Effective fall 2006, credits earned in this status are recorded on a post-baccalaureate transcript.

Students who enroll at EWU for a second baccalaureate degree, having completed their first undergraduate degree at another university, will have their graduation GPA based on their EWU career only. These students will be eligible for quarterly Dean's List under the same standards as any other undergraduate student, but are not eligible for graduation honors.

Graduate

Full admission to a graduate degree or graduate certificate program requires official transcripts documenting at least an undergraduate degree. See the Graduate Admission Requirements in the front of this catalog for more information.

Course Load

To complete a 180 quarter credit baccalaureate program in four years of study, a student must average 15 university level credit hours per quarter, or 45 credit hours for the academic year. Twelve credits are the minimum required for financial aid eligibility for full-time undergraduates.

Graduate students enrolled in 10 credits per quarter are considered full-time and are eligible for financial aid.

172-191-050

WAC 172-191-050 Obtaining copies of records.

Students may obtain copies of their education records. The office of the registrar is the only office which may issue an official transcript of the student's academic record. Charges for copies shall not exceed the cost normally charged by the university copy center (except in cases where charges have previously been approved for certain specified services).

(c) If disciplinary action is pending or sanctions are not completed.

(2) The university must provide copies of education records, subject to the provisions of subsection (1) of this section, in the following circumstances:

(a) If failure to do so would effectively prevent the student from inspecting and reviewing a record;

(b) When records are released pursuant to a student's consent and the student requests copies; and/or

(c) When the records are transferred to another educational institution where the student seeks to attend or intends to enroll and the student requests copies.

[Statutory Authority: RCW 28B.35.120(12). 09-19-064, § 172-191-050, filed 9.14.09, effective 10.15.09.]

172-191-060

WAC 172-191-060 Amendment of records.

If a student believes his/her education records contain information that is inaccurate, misleading or in violation of the student's rights of privacy, the student may ask the university to amend the record. Requests for amendment must be submitted to the registrar's office in writing. The registrar will review the request and may consult other university personnel who participated in creation of the record to determine whether to grant the request for amendment.

(1) If the university decides to grant the student's request, the university shall amend the education record and the registrar will inform the student of the action taken. Such notification will be in writing and will be made within a reasonable time.

(2) If the university decides not to amend the education record as requested, the registrar will notify the student in writing within a reasonable time after receiving the request for amendment. Notification will also inform the student of his/her right to a hearing as detailed in **WAC 172-191-070**.

(3) If a student wants a hearing, the student must make a written request within ninety days of the date of the denial. The request shall be submitted to the registrar and must identify why the student believes the information contained in the education record(s) is inaccurate, misleading, or in violation of the privacy rights of the student.

172-191-070

WAC 172-191-070 Hearings.

Following receipt of a request for a hearing under WAC 172-191-060, the registrar will schedule the hearing. The associate vice president for enrollment services or his/her designee will act as the hearing officer and will provide the student with written notice of the hearing's date, time and place reasonably in advance of the hearing. The student will be provided an opportunity to present evidence relevant to the contested part of the education record. The student may, at his/her own expense, be assisted or represented by one or more individuals of his/her own choice, including an attorney.

(1) The associate vice president for enrollment services or his/her designee will render his/her decision in writing within a reasonable period of time following the hearing. The decision of the officer shall be the university's final decision. The decision must be based solely on the evidence presented at the hearing, and must include a summary of the evidence and the reasons for the decision. The associate vice president

for enrollment services or his/her designee cannot have a direct interest in the outcome of the hearing.

(2) If the associate vice president for enrollment services or his/her designee determines that the record is inaccurate, misleading, or in violation of the privacy rights of the student and grants the student's appeal, the associate vice president for enrollment services or his/her designee will amend the education records of the student accordingly and inform the student in writing of his/her decision and of the amendment.

(3) If the associate vice president for enrollment services or his/her designee determines that the record is accurate, not misleading and not in violation of the privacy rights of the student and denies the student's appeal, the associate vice president for enrollment services or his/her designee shall notify the student of his/her decision in writing and shall inform them of the right to place a statement in the record commenting on the contested information in the record or stating why he/she disagrees with the decision of the university or both. The university must maintain the statement with the contested part of the record for as long as the record is maintained and must disclose the statement whenever it discloses the portion of the record to which the statement relates.

(4) The appropriateness of official academic grades is not subject to review pursuant to this process.

[Statutory Authority: RCW 28B.35.120(12). 09-19-064, § 172-191-070, filed 9.14.09, effective 10.15.09.]

172-191-080

WAC 172-191-080 Disclosure of education records requiring consent.

Students shall provide a signed and dated written consent before an educational agency or institution discloses personally identifiable information from a student's education records, except as provided by **WAC 172-191-090**. The written consent must:

- (1) Specify the records that may be disclosed;
- (2) State the purpose of the disclosure; and
- (3) Identify the party or class of parties to whom the disclosure may be made.

[Statutory Authority: RCW 28B.35.120(12). 09-19-064, § 172-191-080, filed 9.14.09, effective 10.15.09.]

172-191-090

WAC 172-191-090 Disclosures authorized without consent.

The university will use reasonable methods to identify and authenticate the identity of persons to whom it discloses personally identifiable information from education records and will not permit the access to or the release of education records or personally identifiable information other than "directory information" as defined in **WAC 172-191-100**, without the student's consent, to any party other than the following:

(1) Agencies or organizations requesting information in connection with a student's application for, or receipt of, financial aid if the information is necessary to:
