

COMMUNICATION SCIENCES AND DISORDERS MAJOR, BACHELOR OF ARTS (BA)

This program is on a semester schedule. Lower division courses (offered on the quarter schedule) must be taken prior to entering this major.

Notes: two years of a single high school foreign language or one year of a single college level foreign language is required

Grade Requirements

- Students must earn and maintain an overall EWU institutional grade point average ≥ 2.75 as well as a grade point average ≥ 2.75 in all CMSD coursework to be retained in the program.
- If a student's total EWU institutional GPA falls below a 2.75 in a single semester, the student is placed on academic probation and has one semester to raise their GPA to ≥ 2.75 or they will be dismissed from the program.
- To graduate with the BA degree, the student must earn a grade $\geq C-$ in each of the courses within the major.
- Earning a grade $< C-$ for any given course will require that the student repeat the course. If the course is a prerequisite for a higher-level course, the student will not be allowed to enroll in the higher-level course until a grade $\geq C-$ has been earned in the prerequisite course.

planning-tools/declare-your-major/) by the time they reach 90 credits (junior standing).

Application for Graduation (use EagleNET (<https://inside.ewu.edu/eaglenet/>)) must be made at least two terms in advance of the term you expect to graduate (undergraduate and post-baccalaureate).

Use the Catalog Archives (<https://catalog.ewu.edu/archives/>) to determine two important catalog years (<http://catalog.ewu.edu/archives/2021-2022/undergraduate-degree/#activecatalogrulettext>).

SOAR (<https://soar.ewu.edu/selfservice/general/home.html>) calculates based on these two catalog years.

1. The catalog *in effect at the student's first term* of current matriculation is used to determine **BACR** (Breadth Area Credit Requirements) **and UGR** (Undergraduate Graduation Requirements).
2. The catalog *in effect at the time the student declares a major or minor* is used to determine the program requirements.
