

MUSIC EDUCATION, MASTER OF MUSIC EDUCATION (MM)

EWU's fully online MM in Music Education offers you flexibility in obtaining your Masters degree in twelve months (or over a two-year period as needed) while continuing your job and staying in your home.

Through active engagement with a cohort of experts in the field, you explore a rigorous, scholarly program that inspires passion for teaching and values diversity, inclusion, and social justice. You work closely with internationally recognized faculty in this research-oriented program for K-12 music educators where you will expand your training, knowledge and skills to improve your professional practice. Completion of this program may provide improved opportunities for promotion and advancement in K-12 Music education.
