All admitted students must officially Declare a Major (<https://inside.ewu.edu/center-for-academic-advising-and-retention/academic-planning-tools/declare-your-major/>) by the time they reach 90 credits (junior standing).

Application for Graduation (use EagleNET (<https://inside.ewu.edu/eaglenet/>)) must be made at least two terms in advance of the term you expect to graduate (undergraduate and post-baccalaureate).

Use the Catalog Archives (<https://catalog.ewu.edu/archives/>) to determine two important catalog years (<http://catalog.ewu.edu/archives/2021-2022/undergraduate-degree/#activecatalogrulettext>).

SOAR (<https://soar.ewu.edu/selfservice/general/home.html>) calculates based on these two catalog years.

1. The catalog *in effect at the student's first term* of current matriculation is used to determine **BACR** (Breadth Area Credit Requirements) **and** **UGR** (Undergraduate Graduation Requirements).
2. The catalog *in effect at the time the student declares a major or minor* is used to determine the program requirements.

**Students who successfully earn a BA in Anthropology from EWU should be able to do the following:**

- demonstrate basic knowledge in and integration of each of the four anthropological subfields: cultural anthropology, archaeology, linguistic anthropology and physical anthropology;
- demonstrate knowledge of anthropological theories and methods and connect this knowledge to historical and contemporary trends within the discipline;
- demonstrate intra-cultural and intercultural communication skills grounded in respect, humility and ethical practice;
- effectively synthesize anthropological knowledge, methods and theories to address contemporary cultural, social, political, economic and religious issues;
- establish a personal anthropological perspective and ethic that makes a meaningful contribution to an increasingly interconnected and culturally diverse world.
