

ENTREPRENEURSHIP MAJOR, BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION (BSB)

The Entrepreneurship major will teach students what it takes to be an entrepreneur. This will include skills such as telling a great story about their idea or business, giving a great pitch, defining the value proposition of the business, creative ways to finance through startup, and even how to refine and perfect their business model and create a business plan that works.

Students must be formally declared in a BSB major or officially declared as a minor before enrolling in business classes in the required business administration core.

The undergraduate business policies can be found on the School of Business advising page (<https://www.ewu.edu/cpp/business/advising/#policies>).
