

HUMAN RESOURCES MAJOR, BACHELOR OF ARTS IN BUSINESS ADMINISTRATION (BAB)

Students interested in learning about management should consider the Management major. Within this major students can follow three options: General Business Option, Human Resource Management Option or the Supply Chain Management Major.

The Human Resource Management option focuses on tools, techniques and methods used to maximize satisfaction for both the employer and employee. This option applies human resource management and general management theories to the actual management of the human resources of the organization. Topics covered include equal opportunities, safety and health, compensation, training and development, performance appraisal, motivation and job satisfaction and retirement.

Students must be formally admitted to the Business Undergraduate Program or officially declared as a minor before enrolling in business classes in the major. See Business Administration Course Enrollment Policies for more information.

Courses taken for the Human Resource Management Option beyond the required Business Administration Core are not counted double toward the Entrepreneurship, Finance, Marketing, Operations Management Option or General Business Option majors.

Notes:

- formal admission to the BAB program is required;
- ECON 200 and ECON 201 are considered supporting courses and may be used to fulfill BACRs as well as requirements for the Business Administration degree; however, these courses are not counted twice toward the total of 180 credits for graduation.

Grade Requirements for Graduation: a minimum grade \geq C in each course required for the major and a minimum GPA \geq 2.5 for all upper division Business Administration core courses as well as required and elective courses taken to fulfill requirements for the major area.

All admitted students must officially Declare a Major (<https://inside.ewu.edu/center-for-academic-advising-and-retention/academic-planning-tools/declare-your-major/>) by the time they reach 90 credits (junior standing).

Application for Graduation (use EagleNET (<https://inside.ewu.edu/eaglenet/>)) must be made at least two terms in advance of the term you expect to graduate (undergraduate and post-baccalaureate).

Use the Catalog Archives (<https://catalog.ewu.edu/archives/>) to determine two important catalog years (<http://catalog.ewu.edu/undergraduate-degree/#activecatalogruletext>).

SOAR (<https://soar.ewu.edu/selfservice/general/home.html>) calculates based on these two catalog years.

1. The catalog *in effect at the student's first term* of current matriculation is used to determine **BACR** (Breadth Area Credit Requirements) and **UGR** (Undergraduate Graduation Requirements).
2. The catalog *in effect at the time the student declares a major or minor* is used to determine the program requirements.
