MANAGEMENT INFORMATION SYSTEMS MINOR

The minor in Management Information Systems (MIS) provides the conceptual foundation and skill preparation for working in an Information Technology (IT) intensive environment characterized by electronic communication channels along with an in-depth knowledge of data processing and management.

Note:

- this minor is intended for non-BSB in Information Systems & Business Analytics students;
- a maximum of 8 credits can be counted towards both this minor and a School of Business program (double-counting policy);
- a minimum of 12 credits of this minor must be taken at EWU.

Grade Requirement: must achieve a minimum grade ≥C in each course that fulfills a requirement for the minor.
