

# MARKETING MAJOR, BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION (BSB)

The Marketing curriculum prepares students for a wide variety of possible career paths. Marketers can be involved with such activities as product development, pricing decisions, advertising, sales management and marketing research. Marketing practitioners act as the connecting link between the firm and its external environment; they assist organizations in adapting to an ever-changing environment.

Students must be formally declared in a BSB major or officially declared as a minor before enrolling in business classes in the required business administration core.

The undergraduate business policies can be found on the School of Business advising page (<https://www.ewu.edu/cpp/business/advising/#policies>).

## Notes:

- **Students must declare and complete the minimum** BSB Pre-Major (<http://catalog.ewu.edu/ps/sb/professional-accounting-bsb/#premajortext>) **requirements or have completed the minimum Pre-Major requirements through transfer work prior to declaring for any BSB major.**
- ECON 200 and ECON 201 are considered supporting courses and may be used to fulfill BACRs as well as requirements for the Business Administration degree; however, these courses are not counted twice toward the total of 180 credits for graduation.

**Grade Requirements for Graduation:** a minimum grade  $\geq$ C in each course required for the major and a minimum GPA  $\geq$ 2.5 for all upper division Business Administration core courses as well as required and elective courses taken to fulfill requirements for the major area.

The BSB Pre-Major is designed to provide students with exposure to Lower Division Business Core topics to assist students in identifying a major that aligns with their interests. Combined with the General Education (<http://catalog.ewu.edu/undergraduate-degree/>) requirements, students will gain a foundation for success in all areas of study.

Students should declare the pre-major as soon as identifying an interest in one of the BSB programs and they will then be periodically informed of BSB-related activities. Students must complete the minimum pre-major coursework with the specified grade requirements prior to declaring the full major and continuing with upper-division coursework.

For additional information review the School of Business Undergraduate Advising (<https://www.ewu.edu/cpp/business/advising/>) information or contact CAAR (<https://inside.ewu.edu/advising/>) to learn more about declaring the BSB Pre-Major or one of the BSB degrees listed.

All admitted students must officially Declare a Major (<https://inside.ewu.edu/center-for-academic-advising-and-retention/academic-planning-tools/declare-your-major/>) by the time they reach 90 credits (junior standing).

Application for Graduation (use EagleNET (<https://inside.ewu.edu/eaglenet/>)) must be made at least two terms in advance of the term you expect to graduate (undergraduate and post-baccalaureate).

Use the Catalog Archives (<https://catalog.ewu.edu/archives/>) to determine two important catalog years (<http://catalog.ewu.edu/undergraduate-degree/#activecatalogruletext>).

Degree Works (<https://inside.ewu.edu/records-and-registration/degree-works/>) calculates based on these two catalog years.

1. The catalog *in effect at the student's first term* of current matriculation is used to determine **BACR** (Breadth Area Credit Requirements) and **UGR** (Undergraduate Graduation Requirements).
2. The catalog *in effect at the time the student declares a major or minor* is used to determine the program requirements.
