

# CAREER AND TECHNICAL EDUCATION CERTIFICATE, GRADUATE

**Career and Technical Education Graduate Certificate**-This graduate level program provides the opportunity to earn an Initial CTE Certification - Route 2: Business and Industry. This certificate will allow the program completer to teach in grades 7-12 in their specialized and certificated career and technical education area in this identified high need area as identified by the State of Washington.

This program requires a 60-hour internship. Review the graduate internship page for more information.

### The Graduate Certificate Plan Requirements

- 6,000 hours of verifiable occupational experience over the past ten years.
- Complete EWUs approved Initial CTE Certificate Plan 2 Business and Industry Route program.
- Must take the WEST-B or SAT/ACT with reading, writing and math prior to program completion.

When students complete the Graduate Certificate program, they will qualify for a Washington State Career and Technical Education Initial Certificate to teach in grades 7–12, ONLY within their certificate V-code ( Route 2: Business and Industry ). Visit the OSPI (<https://www.k12.wa.us/>) website for further details. This certificate will not result in a master degree or a general Washington State residency teaching certificate. This is an online accelerated program with 6-week academic sessions. For more information about this program visit our website (<https://inside.ewu.edu/educgrad/apresources/>). For information about internships for this program, visit our internship website (<https://inside.ewu.edu/educgrad/internships/>).
