

CAREER AND TECHNICAL EDUCATION WITH ADMINISTRATOR CERTIFICATE, MASTER OF EDUCATION (M.ED)

CTED 677	ADMINISTRATOR COMPREHENSIVE EXAM	1
Total Credits		49

Students who earn an M.ED in Career and Technical Education with Administrator Certificate from EWU should be able to:

- value the role of career and technical education within a student's secondary coursework and career development;
- create a safe learning environment to include classroom, lab settings, and internship sites for all students;
- design student leadership opportunities which are integrated into the CTE curriculum and advances skill proficiency for all students;
- engage all students through a wide range of instructional practices, approaches, methods, and curriculum to include individualized education program materials that supports instruction and learning;
- apply concepts of the instruction and assessment cycle using a variety of tools and practices to plan, implement, and evaluate student learning;
- respond to students, staff, families, industry partners, and community members in a positive and inclusive manner;
- appreciate the role of the advisory committee in maintaining currency of program knowledge and skills.

Master of Education (M.Ed.), Career and Technical Education with Administrator Certificate— This graduate level program provides the opportunity to earn an Initial CTE Administrator certificate along with a Master in Education degree.

This program requires a 200-hour, year long internship. This is an online accelerated program with 6-week academic sessions. For more information about this program visit our website (<https://inside.ewu.edu/educgrad/apresources/>). For information about internships for this program, visit our internship website (<https://inside.ewu.edu/educgrad/internships/>). This will not result in a Principal Administrator Certificate.
