

HEALTH AND PHYSICAL EDUCATION CERTIFICATE, GRADUATE

Health and Physical Education Graduate Certificate-This program is designed for graduate candidates to gain advanced knowledge of health and physical education. The Health and Physical Education program prepares students to work in a variety of settings. This certificate in health and physical education will not lead to an initial teaching certificate. Those candidates who hold a current Washington State teaching certificate are eligible to earn an add-on endorsement in K-12 health and physical education.

For more information about this program visit our website (<https://inside.ewu.edu/educgrad/apresources/>). For information about internships for this program, visit our internship website (<https://inside.ewu.edu/educgrad/internships/>).

This is an online accelerated program with 6-week academic sessions.
