Students who successfully earn a Graduate Certificate in Social Emotional Learning for Educational Equity from EWU should be able to do the following:

- articulate the impact of stress and trauma on student learning and behavior, PLO-3;
- create strategies to partner with families and community members through an Interconnected Systems Framework (ISF), PLO-4;
- demonstrate culturally responsive practices in the selection, implementation, adaptation, and monitoring of SEL curriculum, PLO-2;
- establish integrated MTSS for SEL applications across differing levels of need within K-12 schools, PLO-6;
- explain action steps to build a culture focused on SEL, PLO-5;
- explicitly teach Social Emotional Learning across developmentally appropriate levels, PLO-1.
