AP 303-30: Registration (<https://inside.ewu.edu/policies/knowledge-base/ap-303-30-registration/>)

The Records and Registration office is responsible for maintaining the accuracy, integrity and protection of the student educational record and provides a number of services to the campus community including student registration, course scheduling, student grades, academic policies, and compliance with graduation criteria.

- Academic Calendar (<https://inside.ewu.edu/records-and-registration/calendar/>) - Official university dates and deadlines are published on the Academic Calendar. Students should refer to the Academic Calendar for add/drop/withdraw deadlines, tuition and refund deadlines and registration deadlines.
- Academic Scheduling (<https://inside.ewu.edu/clss/>) - Coordinates with academic departments to publish course offerings every term. The Schedule of Classes is available on EagleNet Experience. EWU strives to publish the Schedule of Classes for the academic year by the 10th day of the prior Spring term to facilitate student academic planning. However, changes may occur and students are encouraged to review their schedule at the beginning of every term.
- Curriculum (<https://inside.ewu.edu/cpac/>) - Academic programs interested in making changes to courses or programs should consult with the Academic Planning office. Information and deadlines for the curriculum change process can be found on the curriculum website.
- Enrollment Verification (<https://inside.ewu.edu/records-and-registration/enrollmentdegree-verification/>) - Provides official verification of enrollments and degrees. Information about requesting a verification can be found on the Records and Registration website.
- Grading (<https://inside.ewu.edu/records-and-registration/grades/>) - EWU utilizes a letter-based grading system and official grades are recorded on a student's academic transcript.
- Graduation (<https://inside.ewu.edu/records-and-registration/apply-to-graduate/>) - All students interested in being awarded a degree must apply to graduate. Graduation application deadlines can be found on the Academic Calendar. Undergraduate students should refer to the Records and Registration website for details on the process. Students in Graduate Programs should refer to the Graduate Programs website.
- Registration (<https://inside.ewu.edu/records-and-registration/registration/>) - Students are encouraged to consult with their academic advisor prior to registration to support timely progress toward a degree. Official registration occurs on EagleNet Experience.
- Transcript Orders (<https://inside.ewu.edu/records-and-registration/transcripts/>) - The student transcript is the official record of the courses a student has taken, the grades and credits earned, and the degrees awarded at EWU. Requests for official and unofficial transcripts can be made online through National Student Clearinghouse. Links are available on the Records and Registration website. Unofficial transcripts are also available through EagleNet Experience for up to a year after a student has separated from the university.
- Transfer Credit Evaluations (<https://inside.ewu.edu/transfer/>) - Process of awarding EWU credit for educational experiences completed prior to attending EWU. Students interested in transferring credit to EWU should review the Transfer Credit Evaluations website.

Classification of Students (AP 303-30, Chapter 1 (<https://inside.ewu.edu/policies/knowledge-base/ap-303-30-registration/>))

A student's earned credit hours determine undergraduate class standing, including any eligible transfer credits that have been received by the posted deadlines.

Undergraduate: Cumulative Credit Hours Earned Classification

0–44–Freshman
 45–89–Sophomore
 90–134–Junior
 135+–Senior

Post-baccalaureate (PB)

Post-baccalaureate students are those who hold at least one earned undergraduate degree as documented with official university transcripts. Credits earned in this status are recorded on a post-baccalaureate transcript.

Students who enroll at EWU for a second baccalaureate degree will have their graduation GPA based on their EWU post-baccalaureate career only. These students will be eligible for quarterly Dean's List and honors at graduation.

Graduate

Full admission to a graduate degree program or graduate certificate program requires official transcripts documenting at least an undergraduate degree. Review Graduate Programs (<https://catalog.ewu.edu/graduate-studies/>) for more information.

Course Load (AP 303-30, 2-5 (<https://inside.ewu.edu/policies/knowledge-base/ap-303-30-registration/>))

To complete a 180 quarter credit baccalaureate program in four years of study, a student must average:

- 15 university level credit hours per quarter; or
- 45 credit hours for the academic year.

Enrollment and Registration Process

Eastern Washington University has a web-based registration system through EagleNET Experience (<https://inside.ewu.edu/eaglenet/>). Registration priority is given to students continuing their enrollment from the current term to the next. Students should refer to the Academic Calendar (<https://inside.ewu.edu/records-and-registration/calendar/>) to determine when their registration window opens.

Continuing students may register at and after their appointed time. Priority registration for fall is held during spring term. Otherwise, subsequent term registration for continuing students is scheduled late in the preceding term. Once registered, students should confirm their registration by reviewing

their Class Schedule in EagleNet Experience (<https://inside.ewu.edu/eaglenet/>). Students should review their schedule regularly to verify changes have not been made due to canceled sections.

New freshman and undergraduate transfer students must meet with an advisor prior to initial registration. Attending a New Student Orientation provides additional critical information on student services, departments, financial aid, and others. Information about advising and orientation dates are sent by email after a student has confirmed their attendance.

To be eligible to register for classes, a student must be either a continuing student or have confirmed their admission or re-admission for the next term.

1. Obtain advisor authorization, whenever required, as follows:
 - a. new students (first term of enrollment at Eastern, undergraduate and graduate);
 - b. students with less than 45 earned credits;
 - c. all athletes;
 - d. any undergraduate student on academic warning;
 - e. any returning student on academic warning or after dismissal;
 - f. any undergraduate student requesting more than 18 credits;
 - g. any graduate student requesting more than 18 credits.
- h. Running Start students;
 - i. international students;
 - j. any student with nine or more withdrawals.
2. Clear any registration holds, which are placed to require an action prior to registration. Holds may include; missing transcripts, overdue financial obligations, major declaration, academic warning or dismissal, pre-university basic skills and disciplinary action. Students should review their "Holds" on EagleNet Experience (<https://inside.ewu.edu/eaglenet/>) to determine if there are registration holds and the action required to remove the hold.
3. Register at the appointed time. New undergraduate students register during the general registration period. Continuing graduate and undergraduate students will have an appointment time based on credits earned. Review the Classification of Students. Check the Records and Registration website (<https://inside.ewu.edu/records-and-registration/>) for updated information on registration.
4. All students are advised to have alternate courses selected in case of administrative drop for lack of prerequisite or cancellations.

Changes to Registration

Instructor permission is required to add classes starting the third day of the term. Instructors are not required to provide class notes, assignments, and materials to students who add a course after the first class meeting; it is the student's responsibility to obtain this information.

Late registration and schedule change fees may apply when making registration changes after the third day of the term. Refer to the Academic Calendar for specific dates.

If a course is closed or becomes full, students may choose to be placed on the waitlist for that course if available. Students will be notified through the third day of classes if a space becomes available.

Dropping Courses

Courses may be dropped and withdrawn from using EagleNet Experience according to published deadlines. When a student withdraws from a course, a "W" may be recorded on the student transcript (check Academic Calendar). Refunds are calculated according to the current refund schedule.

Credit Overload

Undergraduates who wish to enroll in more than 18 credit hours during a term must obtain overload permission from their academic advisor or faculty mentor. Requests for 19 or more credit hours are generally approved only for those with a GPA ≥ 3.0 .

Additional per-credit fees are assessed for students enrolled in more than 18 credits per term.

Repeating Courses

This is general information that may be superseded by specific program rules on repeats, such as those for undergraduate business majors. In addition, repeated courses may be subject to Financial Aid policy. Students should consult with the Financial Aid office for specifics.

Graduate students must follow the specific policies under the **Academic Standards and Coursework Requirements sections** of AP 303-22, Chapter 4 (<https://inside.ewu.edu/policies/knowledge-base/ap-303-22-graduate-students/>).

Students may repeat a course for a higher grade. A course may be repeated regardless of its mode (traditional classroom or independent learning).

Undergraduate students will be allowed to repeat any single course twice for a total of three enrollments per course. In addition, students are limited to a total of ten repeats. The last grade assigned will be the grade included in the GPA (grade point average) and all grades assigned will remain on the transcript.

Exception

If a student is showing progress over time, then they may be allowed to take the course additional times. Any repetitions beyond the two allowed by this policy will only be permitted at the discretion of the department chair where the course resides. The total number of repeats still may not exceed ten.

The previous course, along with its credits, grade, and grade point average, will remain recorded on the transcript but will be superseded by the new course, grade, and GPA. The cumulative GPA will be adjusted to reflect the new grade.

Courses previously taken may not be repeated under the following conditions:

- receiving a pass (P) grade with the Pass/Fail or Pass/No Credit option;
- to improve an undergraduate GPA after receiving a baccalaureate degree;
- courses transferred to Eastern from another institution will not be counted as repeats for the purposes of EWU GPA calculation, but can be used to satisfy prerequisites and all other degree requirements.

Enrollment Verification

Eastern Washington University contracts with the National Student Clearinghouse to verify enrollments for loans, housing, military identification and other general verifications. Students have free access to their enrollment verification via their EagleNET account. Employers, lending services and others must access the National Student Clearinghouse directly for enrollment verification information.

Students needing enrollment verifications for good student discounts, Alaska Department of Revenue, Canadian Student Loan Program or Tax Commission may contact the Office of Records and Registration for assistance with their enrollment verification.

Full-time Enrollment

Undergraduate: 12 credits

Graduate: 8 credits

International Student: 12 credits undergraduate

Half-time Enrollment

Undergraduate: 6–11 credits

Graduate: 4–7 credits

International Student: 6–11 credits

Less-than-half-time Enrollment

Undergraduate: 1–5 credits

Grading and Transcripts

Review Grading System (<https://catalog.ewu.edu/university-policies/#gradingsystemtext>) for general information that applies to all students. Specific grading policy and information related to grade corrections and appeals can be found in AP 303-24 (<https://inside.ewu.edu/policies/knowledge-base/ap-303-24-grading-grade-changes-and-grade-appeals/>).

Reporting Grades

At the end of each term, grades are available through EagleNET Experience (<https://inside.ewu.edu/eaglenet/>) beginning the Wednesday after final exams.

Transcript Requests

Official copies of EWU transcripts may be required for a job, a scholarship, graduate school applications or for other purposes. Requests for official EWU transcripts must be submitted online through the National Student Clearinghouse. Visit the Records and Registration Transcripts (<https://inside.ewu.edu/records-and-registration/transcripts/>) webpage for more information. Transcript fees are posted on the Records and Registration website.

Students may access Unofficial transcripts in EagleNET Experience (<https://inside.ewu.edu/eaglenet/>) for up to a year after leaving EWU.

EWU will only fulfill requests for transcripts of course work completed at EWU. Transcripts received from a high school or another college to fulfill admission requirements are part of each student's academic file and cannot be returned. Copies of those records must be requested from the granting institution.

172-191-050 Obtaining copies of records.

Students may obtain copies of their education records. The office of the registrar is the only office which may issue an official transcript of the student's academic record. Charges for copies shall not exceed the cost normally charged by the university copy center (except in cases where charges have previously been approved for certain specified services).

- (1) The university may refuse to provide copies of education records including transcripts and diplomas in the following circumstances:
 - (a) If the record is a secure exam as determined by the department that maintains the exam, so that the integrity of such exams may be protected; and/or
 - (b) If disciplinary action is pending or sanctions are not completed.
- (2) The university must provide copies of education records, subject to the provisions of subsection (1) of this section, in the following circumstances:
 - (a) If failure to do so would effectively prevent the student from inspecting and reviewing a record;

- (b) When records are released pursuant to a student's consent and the student requests copies; and/or
- (c) When the records are transferred to another educational institution where the student seeks to attend or intends to enroll and the student requests copies.

172-191-060 Amendment of records.

If a student believes their education records contain information that is inaccurate, misleading or in violation of the student's rights of privacy, the student may ask the university to amend the record. Requests for amendment must be submitted to the registrar's office in writing. The registrar will review the request and may consult other university personnel who participated in creation of the record to determine whether to grant the request for amendment.

- (1) If the university decides to grant the student's request, the university shall amend the education record and the registrar will inform the student of the action taken. Such notification will be in writing and will be made within a reasonable time.
- (2) If the university decides not to amend the education record as requested, the registrar will notify the student in writing within a reasonable time after receiving the request for amendment. Notification will also inform the student of their right to a hearing as detailed in WAC 172-191-070.
- (3) If a student wants a hearing, the student must make a written request within ninety days of the date of the denial. The request shall be submitted to the registrar and must identify why the student believes the information contained in the education record(s) is inaccurate, misleading, or in violation of the privacy rights of the student.

172-191-070 Hearings.

Following receipt of a request for a hearing under WAC 172-191-060, the registrar will schedule the hearing. The associate vice-president for enrollment services or their designee will act as the hearing officer and will provide the student with written notice of the hearing's date, time and place reasonably in advance of the hearing. The student will be provided an opportunity to present evidence relevant to the contested part of the education record. The student may, at their own expense, be assisted or represented by one or more individuals of their own choice, including an attorney.

- (1) The assistant vice-president and registrar or their designee will render their decision in writing within a reasonable period of time following the hearing. The decision of the officer shall be the university's final decision. The decision must be based solely on the evidence presented at the hearing, and must include a summary of the evidence and the reasons for the decision. The assistant vice president and registrar or their designee cannot have a direct interest in the outcome of the hearing.
- (2) If the assistant vice-president and registrar or their designee determines that the record is inaccurate, misleading, or in violation of the privacy rights of the student and grants the student's appeal, the assistant vice president and registrar or their designee will amend the education records of the student accordingly and inform the student in writing of their decision and of the amendment.
- (3) If the assistant vice president and registrar or their designee determines that the record is accurate, not misleading and not in violation of the privacy rights of the student and denies the student's appeal, the assistant vice president and registrar or their designee shall notify the student of their decision in writing and shall inform them of the right to place a statement in the record commenting on the contested information in the record or stating why he/she disagrees with the decision of the university or both. The university must maintain the statement with the contested part of the record for as long as the record is maintained and must disclose the statement whenever it discloses the portion of the record to which the statement relates.
- (4) The appropriateness of official academic grades is not subject to review pursuant to this process.

172-191-080 Disclosure of education records requiring consent.

Students shall provide a signed and dated written consent before an educational agency or institution discloses personally identifiable information from a student's education records, except as provided by WAC 172-191-090. The written consent must:

(5)(B) or an act of domestic or international terrorism as defined in 18 U.S.C. 2331.

(9) Appropriate persons, including parents of an eligible student, in connection with an emergency if the knowledge of the information is necessary to protect the health or safety of the student or other individuals.

(10) Persons who request information that is designated as "directory information."

(11) Victims alleging a crime of violence or a nonforcible sex offense, the final results of a disciplinary proceeding conducted by the university after October 7, 1998, with respect to the alleged crime or offense. Disclosure is permitted regardless of whether the university concluded a violation was committed.

(12) To others, the final results of the disciplinary proceeding when, at its discretion the university believes that disclosure will serve a legitimate educational interest, and determines through a disciplinary proceeding conducted under its student conduct code that the alleged student perpetrator committed a crime of violence or a nonforcible sexual offense that is a violation of the university's rules or policies with respect to such crime or offense. For purposes of this subsection, "final results" means the name of the student perpetrator, the violation committed, and any sanction imposed by the university on that student. Names of other students involved in the violation, such as a victim or witness, will be released only with the written consent of those students.

(13) Parent of a student of the university regarding the student's violation of any federal, state, or local law, or of any rule or policy of the university, governing the use of alcohol or controlled substance, if the student is under the age of twenty-one, and the university had determined that the student has committed a disciplinary violation with respect to that use or possession.

(14) When a parent or eligible student initiates legal action against the university or when the university initiates legal action against the parent or eligible student, the university may disclose to the court any education records of the student that are relevant to the legal action.

(16) For deceased students, members of the family or other persons with the written approval of the family or representatives of the estate. The request for education records must be accompanied by a copy of the death certificate or obituary. Absent written approval from the family or representative of the estate, only directory information will be disclosed to persons upon request.

(17) The disclosure concerns sex offenders and other offenders required to register under Section 170101 of the Violent Crime Control and Law Enforcement Act of 1994, and the information was provided to the educational agency or institution under 42 U.S.C. 14071 and applicable federal guidelines.

(18) The disclosure involves records or information from which all personally identifiable information has been removed.

172-191-100 Directory information.

Directory information is defined to include: Student's name, address, email address, telephone number, participation in officially recognized activities and sports, weight, height and birth dates of athletic team members; dates of attendance at the university, enrollment status, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

The university may release "directory information" unless the student files a written request restricting the disclosure of the information. A student's election to opt out of directory information disclosures does not prevent the university from disclosing or requiring a student to disclose their name, identifier, or university email address in a class in which the student is enrolled.

Financial Aid

Withdrawing from Courses

A student may withdraw from a course using EagleNet Experience (<https://inside.ewu.edu/eaglenet/>). Refer to the Academic Calendar (<https://inside.ewu.edu/records-and-registration/calendar/>) for specific dates and deadlines. Schedule change fees may apply. Withdrawals will result in a **W** grade on the student record. Student withdrawing from all of their courses must submit a Complete Withdrawal Form. Students who enroll but do not attend class must officially withdraw, or they will receive a grade of F and be held financially responsible for all tuition and fees.

Undergraduate Course Withdrawal Policy

EWU students are allowed a total of 10 course withdrawals in their undergraduate work. (Withdrawals occur after the normal drop/add period.) Withdrawal from all courses for a term for special reasons (for example, extended illness, accident, or military service) as documented and approved by Records and Registration would only be counted as a single withdrawal in the apportionment of course withdrawals.

When a student reaches six withdrawals, the student will be notified by Records and Registration. When a student reaches nine withdrawals, a registration hold will be placed on the student's record, and the student will not be allowed to register unless the student has the authorization from their advisor (departmental or program if declared, or their advisor in the General Undergraduate Academic Advising Office).

If there are any questions about course withdrawal, contact the Records and Registration Office.

Withdrawing From the University

Complete withdrawal from the university must be done through the Records and Registration Office or online.

- Any student who stops attending and does not officially withdraw from the university will receive grades of F and be held financially responsible for all tuition and fee charges as well as any applicable financial aid obligations.
- Complete withdrawals may be completed any time during the quarter prior to one week before finals.
- Instructor's permission may be required after the seventh week of the term. Documentation may also be required in certain cases.
- Refunds are calculated according to the refund schedule.
- There is no schedule change fee to completely withdraw.

Withdrawal for Medical Reasons: Students who withdraw from the university due to documented medical reasons may be eligible for a complete withdrawal from courses and a reversal of tuition and fees. A request may be made using an Exceptional Circumstance Request (<https://inside.ewu.edu/records-and-registration/withdrawals/>). Third party documentation must accompany the request.

Students Ordered to Military Duty (AP 303–30 (<https://sites.ewu.edu/policies/policies-and-procedures/ap-303-30-registration/>)): Students who choose to withdraw are entitled to a reversal/refund of paid tuition, fees, and other expenses as described in this chapter.
