• demonstrate basic knowledge in and integration of each of the four anthropological subfields: cultural anthropology, archaeology, linguistic anthropology and physical anthropology;
• demonstrate knowledge of anthropological theories and methods and connect this knowledge to historical and contemporary trends within the discipline;
• demonstrate intra-cultural and intercultural communication skills grounded in respect, humility and ethical practice;
• effectively synthesize anthropological knowledge, methods and theories to address contemporary cultural, social, political, economic and religious issues;
• establish a personal anthropological perspective and ethic that makes a meaningful contribution to an increasingly interconnected and culturally diverse world.
