

LEADERSHIP MINOR

The purpose of the Leadership Minor is to educate and empower students to become proactive leaders in our society, regardless of their chosen profession. The minor provides a focus on the theoretical and experiential understanding of leadership. Students benefit from a broad spectrum of courses that entail a leadership component. Collectively, these courses provide a rich compilation of perspectives on leadership. Students also benefit from the thorough examination and critique of their evolving leadership style.

Grade Requirements: students must maintain a cumulative grade point average in the minor ≥ 2.5 with no single course grade $< C-$.
