

# GENDER, WOMEN'S & SEXUALITY STUDIES MAJOR, BACHELOR OF ARTS (BA)

Gender, Women's & Sexuality Studies (GWSS) is an interdisciplinary field that integrates theory and practice with the aim of transforming social relations, representations, knowledges, institutions, and policies. GWSS works toward these goals by producing and disseminating knowledge through research, teaching, and activism. The interdisciplinary field provides students with the skills to critically and actively engage with the world around them.

Through the GWSS major at EWU, students examine gender and sexuality as they intersect with other socio-political categories and relations of power, such as race, indigeneity, class, nationality, religion, age, and ability. Issues of justice, social and economic transformation, and agency are central at all levels of the curriculum. The major is comprised of courses from a broad array of disciplines and interdisciplines and provides a strong foundation in the humanities and social sciences.

The interdisciplinary major is designed to foster personal and intellectual development, cultivate civic engagement, and provide a sound foundation relevant for employment in a variety of occupations within academia, the private sector, the professions, government, and the nonprofit sector.

Note:

- students must complete at least 25 credits of this major at Eastern Washington University;
- two years of a single high school world language or one year of a single college-level world language is required.

Note: this 45 credit major requires the completion of a minor (minimum of 15 credits) for a total of 60 credits.

Application for Graduation (use EagleNET (<https://inside.ewu.edu/eaglenet/>)) must be made at least two terms in advance of the term you expect to graduate (undergraduate and post-baccalaureate).

Use the Catalog Archives (<http://catalog.ewu.edu/archives/>) to determine *two important catalog years*.

Requirements in Degree Works (<https://inside.ewu.edu/records-and-registration/degree-works/>) are based on these two catalog years:

- a. The catalog *in effect at the student's first term* of current matriculation is used to determine **BACR** (Breadth Area Credit Requirements) **and UGR** (Undergraduate Graduation Requirements).
- b. The catalog *in effect at the time the student declares a major or minor* is used to determine the program requirements.

**Students who earn a BA in Gender, Women's & Sexuality Studies should be able to:**
