

BILINGUAL EDUCATION/ ELEMENTARY MAJOR, BACHELOR OF ARTS IN EDUCATION (BAE)

The Bilingual Education Program offers a major for those students preparing to teach dual language learners who wish to demonstrate their commitment to learning an additional language. This Bilingual Education major requires the completion of a minor or certificate approved by a Modern Language advisor. Notes: students who want to have a second endorsement in a minor field will require more than 12 quarters to complete the BAE.

This major satisfies the endorsement for preschool through grade 12.

World Language Requirement

Acceptance to the program is contingent upon scoring Advanced-Low or higher on both the oral and written ACTFL tests. As the State of Washington, Professional Educator Board (PESB) requires bilingual education candidates to pass the ACTFL oral and written tests with a score of Advanced-Mid or higher in order to get the certification, candidates who score Advanced-Low on any of the ACTFL tests will be asked to prepare a plan to pass the ACTFL oral and written tests at the end of the certification at the Advanced-Mid level. This plan will require them to take some upper-division world language courses.

Elementary Education students must complete the required Elementary Education Core and the following courses.

Application for Graduation (use EagleNET (<https://inside.ewu.edu/eaglenet/>)) must be made at least two terms in advance of the term you expect to graduate (undergraduate and post-baccalaureate).

Use the Catalog Archives (<http://catalog.ewu.edu/archives/>) to determine *two important catalog years*.

Requirements in Degree Works (<https://inside.ewu.edu/records-and-registration/degree-works/>) are based on these two catalog years:

- a. The catalog *in effect at the student's first term* of current matriculation is used to determine **BACR** (Breadth Area Credit Requirements) **and** **UGR** (Undergraduate Graduation Requirements).
- b. The catalog *in effect at the time the student declares a major or minor* is used to determine the program requirements.

Students who earn a BAE in Bilingual Education at EWU should be able to:

- create developmentally-appropriate bilingual lesson plans grounded in language acquisition research;
- deliver an oral presentation designed to inform families of the benefits of a K–8 bilingual dual-language program;
- explain how pedagogical strategies support elementary and middle school students' literacy;
- identify the effects of the interrelationship between language and culture on the bilingual classroom;
- identify the optimal elements in a WA standards-based lesson plan for bilingual Education;
- teach a lesson that supports the linguistic development of bilingual speakers.
