

# GLOBAL ENGAGEMENT MINOR

The Global Engagement Minor offers students a dynamic blend of theoretical and experiential learning. It is open to students of all majors and prepares graduates to thrive in diverse international environments. The program integrates global perspectives into the students' field of study, enhancing their personal and academic growth. Through unique pre- and post-study abroad courses and hands-on learning opportunities, students gain practical skills to navigate a globally connected world. The program enhances students' personal and academic growth and equips them with the global competencies and real-world experience employers value, positioning them for career success in today's interconnected economy.
